SAFETY DATA SHEET

DURABLE 5717 SUPERCLEAN SET

Date of issue: January 2000 **Sheet: 18**

1. Identification of the substance/preparation and of the company/undertaking

Company/undertaking identification

Durable Hunke & Jochheim GmbH
Westfalenstrasse 77-79
58636 Iserlohn
Germany
Tel: 0049-237-16-22279
Fax: 0049-237-16-22279

Product Name:
Non Hazardous Cleaner

Manufacturer's Ref:
00-040/e0364/mke

Description of Product
125ml Bottle of Non Hazardous Fluid

Packaging:
125ml Spray

2. Composition/Information on Ingredients

Name	CAS no.	Contents	Danger symbol	R-phrases
Glycol Ether	107/98/2	<5%		R11

Proprietary blend of cleaning agents/surfactants.

3. Hazards Identification

This product is non-hazardous under CHIP Regs 1999 (2).

4. First Aid Measures

Inhalation:	Remove person to fresh air and rest.
Skin contact:	Wash with soap and water
Eye contact:	Flush well with water.
Ingestion:	Give water to drink – seek medical advice if patient fells unwell.

5. Fire Fighting Measures

Extinguishing media:	Water fog/CO2/dry chemicals or foam.
Specific procedures:	Self-contained breathing apparatus in confined areas.
Unusual hazards:	Liquid will not burn on its own.
Hazardous decomposition:	Burning will liberate CO2 and possibly CO. Avoid breathing smoke.

6. Accidental release measures

Clean-up procedures:	Contain and absorb with dry sand or absorbent material. Dispose of as dry waste, do not allow to enter streams.

7. Handling and storage

Handling:	No special measures except normal warehouse good practice.
Storage:	Store in cool dry normal conditions.

8. Exposure controls/personal protection

Ingredient Glycol Ether/Cas 10798/2. LT exp (8 hrs) = 100 mg/m^3. ST exp (10 min)
Engineering: No specific requirements.

Ventilation:	Adequate natural ventilation will suffice in most instances.
Respiratory:	None required in normal use.
Eye protection:	Eye protection should be worn if splashes likely.
Skin protection:	Rubber gloves should be worn for prolonged use.

9. Physical and chemical properties

Boiling Point:	100ºC
Density:	1.0g/cm^2
Vapour Density:	not applicable
Viscosity	not applicable
Solubility:	totally soluble
pH value:	9 – 11
Flash Point:	water based
Appearance:	clear
Odour:	mild pleasant

10. Stability and reactivity

Hazardous decomposition:	as with any organic material, combustion will liberate carbon dioxide/and or monoxide.
Incompatibility:	avoid contact with strong oxidising agents.

11. Toxicological information

Ingestion:	no toxic manifestations known
Inhalation:	as above
Skin:	prolonged extensive exposure may aggravate dermatitis in sensitive individuals.

12. Ecological information

Degradability: Product is biodegradable – no expectations of toxicity to aquatics.

13. Disposal considerations

Waste disposal:	Dispose of material in foul sewers.
NB:	The user's attention is drawn to the possible existence of regional regulations regarding disposal.

14. Transport information

Intrastate Reference: 3402/90/10

Product not regulated for transport – non-hazardous.

15. Regulatory information

In this dilution risk/safety phrases are not required.

Product is non-hazardous.

According to EEC Directives 67/548/EEC the product is labelled as follows:

Symbol:

R-phrases: none

S-phrases: Keep out of reach of children. Avoid contact with eyes.

Note: The regulatory information given above only indicates the principal regulations specifically applicable to the described in the safety data sheet. The user's attention is drawn to the possible existence of additional provisions which complete these regulations. Refer to all applicable national, international and local regulations or provisions.

16. Other information

Legal disclaimer: The above information is believed to be correct but does not purport to be all inclusive and shall be used only as a guide. This company shall not be held liable for any damage resulting from handling or from contact with the above product.

The directions are given assuming the product is used for it's normal purpose. It is however, always the responsibility of the user to comply with national legislation's. The information in this Safety Data Sheet

should be understood as a description for safe handling of the product and is no guarantee for the properties of the product.
